AROUND OUR SCHOOL

PICNIC WITH THE PRINCIPAL

Because we are growing so much, we are doing two at a time this year! On Friday, Oct. 9, Principal Mary Yauck had lunch with Jonah and Abby.

Jonah talked all about life on the farm — sitting back with his arms folded like he was telling stories from "back in the day." He's proud that he can help out more now, including driving the Gator around the farm. He loves school and everything about learning.

Abby loves getting her nails and hair done, playing house outside with friends, animals, and the color pink. She's also a hard worker — she helps her parents at their restaurant by cleaning tables, sweeping, and chatting with customers, and says she wants to own it herself one day! She looks forward to school every day to see her teacher and friends.

What a joy to spend time with these two. 💙

FUN IN 5K!

Our 5K students are learning about the monstrance, and how the Eucharist is the true body and blood of Jesus. They also took advantage of the beautiful fall weather and used leaves during STREAM time.

Over in Lomira, our students have a new favorite tradition — finding the little Jesus figures tucked around the school! 👀 It's a small, joyful reminder of something big: Jesus is always with us, in every corner of our day — sometimes we just have to look for Him. We love watching their faces light up when they spot Him. ✝️ Keep your eyes open, St. Mary family — you never know where Jesus will turn up!

Verse of the week: ***"Hail, full of grace, the Lord is with you." — Luke 1:28***
