

Picnic with the Principal

St. Mary School second grader Landon had a Picnic with the Principal on Wednesday, Feb. 26. During lunch, Landon told Mrs. Yauck about how he really likes going ice fishing with his dad. He said that a lot of people don't like it because it is so cold, but his dad has an ice fishing shack that has a heater in it so they don't get cold. He said that they like catching all kinds of fish. Landon told Mrs. Yauck a story of a time when they laid the fish they caught on the snow bank so they would stay cold. When they went back to get them, an animal had taken one and ate it. Landon likes playing games with his family. One of his favorites is Mouse Trap because he likes to figure out how to put the trap together. He said that he likes doing those same kind of things at school during STEAM class as well. When Mrs. Yauck asked Landon what else he likes, he said trying to trick people with a Whoopy Cushion. He belly laughed after telling her all about his tricks.
