

Picnic with *the* *Principal*

St. Mary School second grader Joshua had a Picnic with the Principal on Tuesday, Feb. 18. Joshua and Mrs. Yauck talked about his interests and what he enjoys doing. He told her that he is definitely going to play soccer as soon as the snow melts and that maybe he will play football. Joshua said that he likes playing sports and is really good at them. He likes to spend time with dad fishing, but they don't do ice fishing because it's too cold. Joshua told Mrs. Yauck that Wisconsin has really weird weather, "one day the sun shines, and then it goes away and makes it snow. One day it gets to 50 degrees, and the next day we can't go outside for recess because it's too cold." I couldn't agree more. At the end of the conversation, Joshua said, "when I was folding my laundry, my family was talking about when my brother Daniel was in mommy's tummy. She said that she remembers that he had a really big head. Joshua and Mrs. Yauck shared a laugh about that. What a great memory for the family.
