

Picnic with *the* *Principal*

St. Mary School first grader Bryson had a Picnic with the Principal on Wednesday, Mar. 5. Mrs. Yauck said that Bryson was so full of information! He talked about one of his favorite things to do, which is hunting. His family's love of the outdoors was very apparent in his description of hunting deer, bear, and coyote. Bryson told Mrs.

Yauck that he also loves to fish and hike in the woods.

He and his family hunt around this area and spend time hunting with Pawpaw in North Carolina. They are going to visit him over Spring Break. Mrs. Yauck said that as Bryson talked about these things,

the excitement grew in his voice, on his face, and with the use of his hands, and that it is wonderful to see the passion in a child's face about the things they love to do. He also likes sports. He just got done with wrestling and will play softball in the summer.
