

Picnic with the Principal

St. Mary School 1st grader Daniella Rangel had a Picnic with the Principal on Wednesday, Jan. 8th. Mrs. Yauck loves that Daniella comes with a cool hair design every day. They Daniella talked about Daniella's family vacation that they took up north. She told Mrs. Yauck that they rented a cabin that had a pool on the grounds. Her favorite part of the pool was the basketball court that was set up in it. There was also had a water park and an arcade. She enjoys going to Texas to spend time with family and going to Florida to visit her grandparents. Danielle said that she likes to swim and is taking swim lessons to help her improve her swimming skills. She talked about her big brother and how much she cares about him. He got sick not too long ago and she was very worried about him until the Dr told her that he would be OK. We are so happy for the family that he is better.
