ST. MARY SCHOOL ALUMNI generations

We are creating an Alumni Generations display!

If your current student has family that is St. Mary School alumni, we would like to include them! Please send a photo of your student and the alumni, as well as what years/grades they attended and a memory of their time at St. Mary School, if they would like to share.

Please contact Danielle with any questions:
dwiedmeyer@stmarymayville.org

St. Mary School is rooted in Catholic values and academic excellence. We are committed to providing an environment rich in diversity, inclusion and belonging where children of God learn, love and live the faith.

Mrs Fehring's favorite drink is Coke so we did a taste test with Oreo flavored Coke that her daughter bought for her. It was interesting, most of us would drink it again. It started out as Coke tasting and ended tasting like cake. We have the actual Oreos on order and will give a taste test review when they arrive. It's always good to try new things!

Samantha's mom was the mystery reader in kindergarten last week! She read Good Morning, Good Night to us in Spanish and Miss Olig read it in English! We also learned thank you, you're welcome, and some animal words in Spanish! Please email kolig@stmarymayville.org if you would like to be a mystery reader! Family members, friends, and parish members are all welcome!

Tuesday was a colorful day in Childcare!!! We worked on the letter "J". Then we did a colorful rain science experiment and then went outside and did all types of fun drawings with chalk!!!

- Mon. Sept. 30: Baked Chicken Parmesan Noodles w/ Sauce, Green Beans, Dinner Roll
- Tue. Oct. 1: BBQ Sloppy Joes, Baked Beans, Salad, Applesauce
- Wed. Oct. 2: Oven Baked Drumsticks, Dinner Roll, Mixed Veggies
- Thur. Oct. 3: Hamburger, Cheese Stick, Cucumber Slices, Diced Peaches
- Fri. Oct. 4: NO SCHOOL

What's happening in

Five Finger Prayer

We closing out their Apple unit! To celebrate their hard work and learning, each kiddo followed a sequence of steps to make their own apple juice! 🍏

In 3K this week, we sampled many things made with apples. We had apple turnovers, apple granola bars, Apple Jacks cereal, apple bread and apple cider. We also worked on teamwork and following directions with parachute fun!

Check out our new merch!

Shop the St. Mary School Spirit Store to show your school spirit or to find a great gift for a student, family or alumni!

Kindergartener Lily Conrad had a Picnic with the Principal on Wednesday, Sept. 25. Lily was all smiles and told Mrs. Yauck all about herself. She said that she has a lot of friends and that one of the things that makes her friends so special is that they want to help others when they are sad or hurt. She proceeded to point out each of her friends. Lily said that she loves playtime both in the classroom and outside, and also reading. Her family likes to go visit her aunt, go out to eat, and go on family trips. Her favorite place to go with her family is WI Dells waterparks.

CHILD CARE CORNER

We've been having lots of fun with bubbles, play doh, and the letters H – K. We did a science experiment and created clay monsters!

More fun in Childcare!! On Wednesday, we worked on the letter "K" and we made monsters out of clay that we will paint on another day.

On Tuesday, our 2nd Art class worked on "Foil" art to help decorate our Hispanic Heritage Month bulletin board. 1st and 5K finished up there cactus handprints and coloring page.

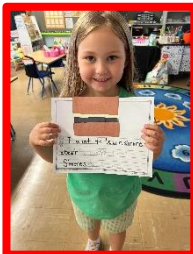

During Friday's STEAM lesson, 1st graders made observations to construct an explanation of why camouflage is helpful to animals. They then did an activity that tested their ability to spot camouflage moths. Afterwards, students designed their own camouflage moths and hid them in the classroom! Miss Danielle came in to test her spotting skills!

Kindergarten is ready for s'more learning! We had a fun camping week, and got to end our week working in "tents"! We talked about what we wanted to learn s'more about. Earlier this week, we made a solar oven to cook our marshmallows! We also went on a couple of "bear hunts!"

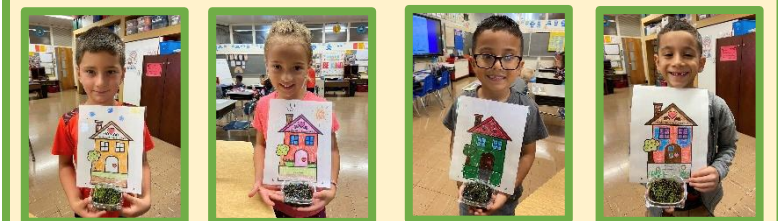

hello
KINDERGARTEN

In 2nd grade science we continued our discussion on landforms. The students could pick from a variety of different landscapes, sketched out their landform and then built a model of it.

Our grass grew! 1st graders planted grass seed as part of our science unit. We added the house background to make the grass look like the front yard.

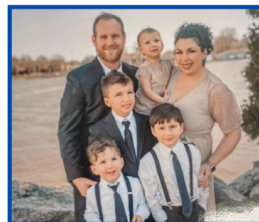

RECESS

With the weather changing, please be sure to send appropriate clothing for recess time. It is suggested that there is a sweatshirt or light jacket that can be kept at school for outside recess.

Shorts, sandals, and flip-flops may be worn only when weather is forecasted to be 70* or higher. If your child does not have appropriate clothing for outdoor recess, they will not be allowed to go outside for recess.

ST. MARY SCHOOL FEATURED FAMILY

CLARK FAMILY

Tim & Danielle
James - 4th grade Jonah - 1st grade
Joshua - 4K JoJo - childcare

WHAT BROUGHT YOUR FAMILY TO ST. MARY SCHOOL?

Tim attended St. Mary School through 8th grade. When we moved to Mayville, we knew that we wanted our children to get a Catholic education. We started at childcare with James and have been here since! Small class sizes, family-oriented and a positive Catholic education are a few of the things we love about St. Mary School!

WHAT ARE YOUR FAVORITE ACTIVITIES TO DO AS A FAMILY?

We work together on the farm, go to farm shows and county fairs together. We also enjoy movie nights and visiting other farms.

WHAT IS A PRAYER, SAINT OR TRADITION THAT IS IMPORTANT TO YOUR FAMILY?

We make it a priority to say our nighttime prayers together every night before bed.
