St. Mary School is rooted in Catholic values and academic excellence. We are committed to providing an environment rich in diversity, inclusion and belonging where children of God learn, love and live the faith.

What's happening in

- Dr. Seuss Week!
- Opposites
- Counting 8 is great!
- Tissue paper shamrocks

Our third grade reading class did biographies. They each chose a "Who is?" Book and took detailed notes and a final report. We shared our reports with the kindergarteners, first and second graders! Good, interesting facts were learned by all!

CHILD CARE CORNER

We did Big vs Small worksheets along with spotting differences. We also we did a science experiment and we took a little walk! Our babies had some bubble fun!

In honor of Dr. Seuss's birthday yesterday, all the teachers switched classes to read a Dr. Seuss story to the children of a different class. Everyone thoroughly enjoyed the visits from the teachers and the stories they read.

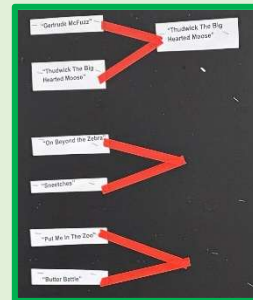

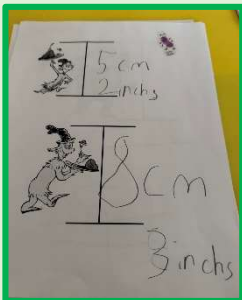

St. Mary School first grader Bryson Franklin had a Picnic with the Principal on Wednesday, Mar. 5. Mrs. Yauck said that Bryson was so full of information! He talked about one of his favorite things to do, which is hunting. His family's love of the outdoors was very apparent in his description of hunting deer, bear, and coyote. Bryson told Mrs. Yauck that he also loves to fish and hike in the woods. He and his family hunt around this area and spend time hunting with Pawpaw in North Carolina. They are going to visit him over Spring Break. Mrs. Yauck said that as Bryson talked about these things, the excitement grew in his voice, on his face, and with the use of his hands, and that it is wonderful to see the passion in a child's face about the things they love to do. He also likes sports. He just got done with wrestling and will play softball in the summer.

The kindergartner treasure hunt around the school was a huge hit! Abby's sister was our mystery reader in kindergarten! She read us two books: A birthday book that she read in English and Spanish and The Surprise Family!

2nd grade began their Dr. Seuss March Madness this week! Throughout the month of March, two of Dr. Seuss's works will face off, and one winner will be voted for in each bracket. Stay tuned to see who wins! In celebration of Dr. Seuss, we also practiced measuring our feet and some popular characters from his works in centimeters and inches.

Last week we enjoyed some time with our 3rd grade Book Buddies! This week we learned how to paint with "paint sticks" while making a Letter V craft. Don't forget to ask your favorite 3K child about Mass on Wednesday morning! They did awesome at church!!!
