

Picnic with the *Principal*

St. Mary School kindergartener Abbygail Rivas Ramirez had a Picnic with the Principal on Thursday, Feb. 6. Abby and Mrs. Yauck talked about school and what she likes to do while here. She said that she enjoys playing with her friends, especially at recess because they like to do the same things. She also likes reading stories and doing art projects. Mrs. Yauck asked Abby what she likes to do with her family. She said that she enjoys spending time at their family's restaurant. When asked her if she cooks, Abby started laughing so hard. She said she is too little to cook and only her dad cooks, and someone else helps too. She told Mrs. Yauck that she has jobs at the restaurant like helping her mom clean the tables. Abby loves to dance and wear beautiful dresses when she dances. She said she would like to show us sometime but would like her friends to dance with her.
