- Puppies
- Puppets
- Patterns

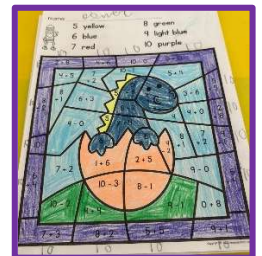

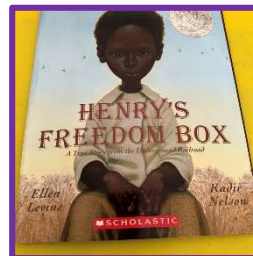

The Good Shepherd Cares for His Sheep

The first-grade students participated in some hands-on lessons to help learn about place value and expanded form. They are also preparing for their first spelling test on Friday!

In 2nd grade, we celebrated Black History Month by reading the book, "Henry's Freedom Box", which is about a man who mailed himself to freedom. In Math, we did a color-by-numbers activity using single- and double-digit numbers. We celebrated Presidents' Day by reading a Scholastic News article about two of our most famous presidents and then made a book about George Washington.

- Mon. Feb. 24: Hamburger Gravy over Mashed Potatoes, Green Beans, Dinner Roll
- Tue. Feb. 25: Spaghetti, Salad, Breadstick, Fresh Fruit
- Wed. Feb. 26: Corn Dogs, Corn, Fresh Fruit
- Thur. Feb. 27: Breakfast Roll, Hash Rounds, Sausage Links, Yogurt
- Fri. Feb. 28: Meatball Sub, Cheese Stick, Fresh Veggies w/ Dip

We have been talking about healthy habits and dental hygiene in kindergarten this week!

- ✍️ Kindergartners have 20 teeth in their mouth!
- 🦷 Ten on top and ten on bottom, so we used marshmallows to make models!
- ✍️ We practice flossing play dough out of our Lego teeth.
- 🦷 we discussed what foods make our teeth healthy!
- 🦷 🍌 We made door hangers for the tooth fairy!
- ✍️ We had teeth themed reading and math centers!

hello
KINDERGARTEN

I am a child
of God!
We made
sashes and
covered them
with truths!

2nd grade celebrated Valentine's Day on Friday! We played Bingo, read Valentine books, did a Valentine brain break. We also read about Jesus and the big heart and played a game where we learned more about each other. We also read the book "Cream of Creature From the School Cafeteria." It is a book about how a hot lunch became a monster. Then we worked on creating our own food monsters. Such a fun day!

About Me

I have been married to my wonderful husband for 26 years!
We have 3 amazing kids and 2 playful dogs.
What I love about my job is working with the kids. I love seeing them learn new concepts.

Fun Facts about me:

- I love hiking and being outside
- I love playing games with my family
- I love building with Legos
- I love to scrapbook

Favorites:

FOOD: Steak
TV SHOW: Brewers/Bucks/Packers
MOVIE: A Christmas Carol
BOOK: Crosswords/puzzle books
VACATION SPOT: Door County and Marquette, MI

CHILD CARE CORNER

Our Childcare staff gave the kiddos a fun Valentine's Day party last week!

Valentine's fun in third grade ❤️ Thanks to everyone who donated supplies! It is appreciated!

3RD GRADE

St. Mary School second grader Joshua had a Picnic with the Principal on Tuesday, Feb. 18. Joshua and Mrs. Yauck talked about his interests and what he enjoys doing. He told her that he is definitely going to play soccer as soon as the snow melts and that maybe he will play football. Joshua said that he likes playing sports and he is really good at them. He likes to spend time with dad fishing, but they don't do ice fishing because it's too cold. Joshua told Mrs. Yauck that Wisconsin has really weird weather, "one day the sun shines, and then it goes away and makes it snow. One day it gets to 50 degrees, and the next day we can't go outside for recess because it's too cold." I couldn't agree more. At the end of the conversation, Joshua said, "when I was folding my laundry, my family was talking about when my brother Daniel was in mommy's tummy. She said that she remembers that he had a really big head." Joshua and Mrs. Yauck shared a laugh about that. What a great memory for the family.

3K ADVENTURES

HAPPY VALENTINE'S DAY from 3K!

In 3K this week we are learning about teeth and how to brush them. We also talked about good food choices for our teeth. With being so cold outside, we have been doing some YOGA inside the classroom for some extra exercise. Feel free to ask your little ones about their favorite poses!

In art class, 3rd grade learned different watercolor painting techniques: wet on wet vs dry on wet. In 2nd grade we learned about Vincent Van Gogh, used chalk to create our own "Starry Night". In 5K and 1st grade we are finishing up our "Heart Patterns."

In 2nd grade Science, we went over the states of matter. We discussed how a solid, liquid and gas are different in formation. We also learned, how when mixing different types of matter together, the particle pattern changes, and it moves to a different state of matter. As a fun treat and experiment, we made root beer floats and learned how they show all 3 different states of matter.

St. Mary School 2nd grader Scarlett Urrieta Landeros had a Picnic with the Principal on Wednesday, Feb. 19. Mrs. Yauck asked Scarlet what she likes to do, and she she said go to school! She loves playing with her friends, doing science experiments, and social studies lessons. Scarlett spends a lot of time with her family. Her favorite thing to do with them is have pillow fights. She said her dad is the best at it. Scarlett told Mrs. Yauck that she has chores to do at home. Some of her chores are sweeping, helping on the farm, helping to watch her baby sister and doing the dishes.
