Nick MacNeill and his amazing crew spent a week down near Asheville, NC to help with hurricane relief efforts. Many prayers were sent with them as they departed from St. Mary School on Saturday morning with 12 pallets, 2 trailers full, chipper truck full and every nook & cranny stuffed with donated supplies.

**Friday, Oct. 18:**  
St. Mary's (Grades 4K-3)  
8:00 am Mass

### October

Carson MacNeill	1 <sup>st</sup>	26 <sup>th</sup>
Lindsey Retzlaff	4K Aide	31 <sup>st</sup>

*St. Mary School is rooted in Catholic values and academic excellence. We are committed to providing an environment rich in diversity, inclusion and belonging where children of God learn, love and live the faith.*

# RECESS

With the weather changing, please be sure to send appropriate clothing for recess time. It is suggested that there is a sweatshirt or light jacket that can be kept at school for outside recess.

Shorts, sandals, and flip-flops may be worn only when weather is forecasted to be 70\* or higher at recess times.

If your child does not have appropriate clothing for outdoor recess, they will not be allowed to go outside for recess.

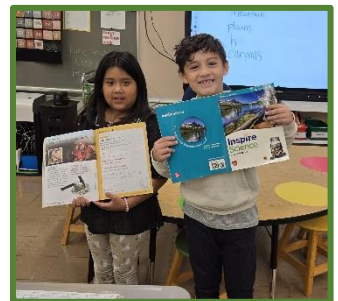

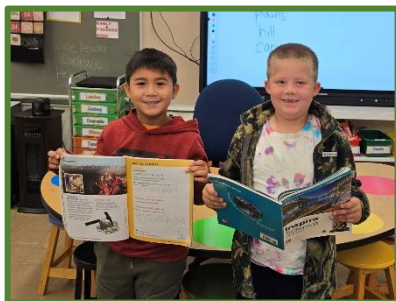

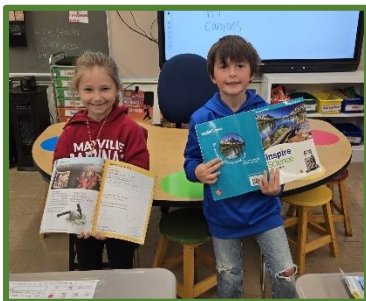

**2nd Grade Art Class worked on "3D Twisted Fall Tree" project. They created a background for their trees, made trunks then glue and twisted paper to give a 3D look. Also is a picture of last weeks project, 2-D Rainbow Shapes."**

When St. Mary School parent Nick MacNeill announced he was gathering donations for a trip to help with Hurricane Helene relief, our school, parish and community pulled through in a big way!! This is just part of the donations that he was able to bring with him. Huge thanks to him and his crew as they help with the efforts and prayers for a safe ride home!

**Our 2<sup>nd</sup> graders discussed families and how they are part of a community.**

**Our 2nd graders researched and presented on our questions about one of Earth's landforms.**

# What's happening in

💡 For STEAM, we worked our engineering and processing skills!! We brainstormed and used different classroom materials to build a safe classroom critter chair that met certain criteria:)

- Coffee Filter Bats
- Comparing sizes
- Letter T

## 3K ADVENTURES

This week we worked in centers, learned about Fall, the letters A-E, and the color purple. We read books, mixed red and blue paint and sorted letters.

Third grader Lincoln Anderson had a Picnic with the Principal on Wednesday, Oct. 9. Mrs. Yauck really enjoyed talking with Lincoln at lunch. He was so excited to tell her all about his weekend because they got to go look at a new seasonal camper and he played football. The family loves going camping. Lincoln told Mrs. Yauck that their current camper is too small for 5 people, especially when they have 3 boys and a big dad. Lincoln really likes playing football because his dad is the coach and that his dad really gets the team going! When Mrs. Yauck asked Lincoln if his mom likes going to his games, he said "Oh ya, she is the boss of the concession stand". Mrs. Yauck said that it was so nice to listen to him talk about his family and how much he enjoys being with them.

# CHILD CARE CORNER

What a busy week in Childcare! We worked on letters P-S, made spooky spiders, homemade applesauce, ghost art, indoor recess time and so much more!

Boom, Clap, Stop, Pat was a fun game kindergarten played this week to work on our vowel sounds! Students had to do different actions and then when their teacher said a vowel sound they had to find the matching letter!

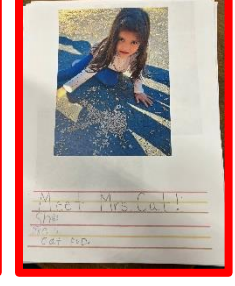

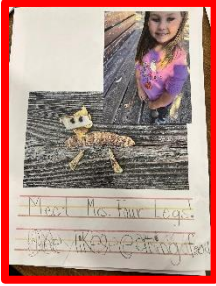

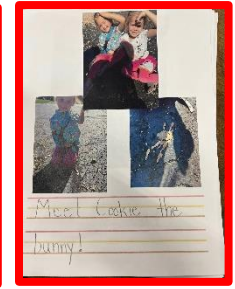

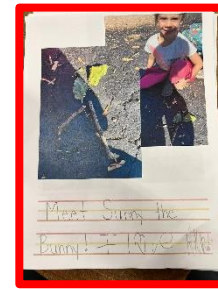

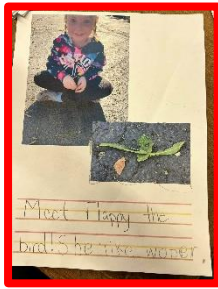

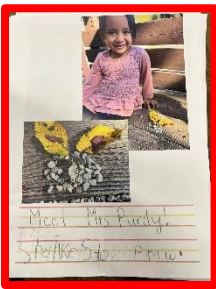

The 3rd grade taste test of Oreos was interesting! Some were a big hit others not so much: Coke Oreos, mint chip Oreos, generic Oreos, and mini Oreos.

Hooray for Autumn! 1st graders read a poem about squirrels and then created their own bushy-tailed squirrels! This project tested our fine-motor skills a bit but the kids love how dimensional their squirrels' tails turned out!

# hello KINDERGARTEN

**Meet the fall animals our kindergarteners made during STEM this week!**

We are studying "Pointillism" in our Art classes. 3rd Grade Art Class worked on making a "Fall Scene" from a different prospective. We went outside looked up at trees. Learned how to draw branches and used pointillism painting technique. 1st grade and 5K classes made their personal handprint fall tree. We traced their hands and arms for the trunk of tree. Then used "pointillism" technique to make fall color tree. Each one is unique just like the fall trees outside!

## ST. MARY SCHOOL ALUMNI *generations*

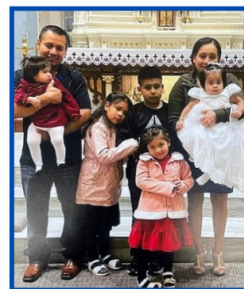

**We are creating an Alumni Generations display!**

If your current student has family that is St. Mary School alumni, we would like to include them! Please send a photo of your student and the alumni, as well as what years/grades they attended and a memory of their time at St. Mary School, if they would like to share.

Please contact Danielle with any questions:  
dwiedmeyer@stmarymayville.org

## ST. MARY SCHOOL FEATURED FAMILY

URRIETA LANDEROS FAMILY

Francisco Urrieta  
Sugeli Landeros  
Alexander, Scarlett, Karen & Camila

**WHAT BROUGHT YOUR FAMILY TO ST. MARY SCHOOL?**
