# MRS. FEHRING MAKES A MOVE

Dear Parents, friends, and Parishioners,

As most of you know, St. Mary will be adding third grade back for next year. We are so excited for this wonderful change. It has taken a lot of hard work by Mrs. Yauck and the staff. We are very grateful to be expanding!

With that said, I am excited to announce that after 25 years in Kindergarten at St. Mary's I will be moving to the third-grade position. This decision was a tough one that involved a lot of discussion with my family, praying, and self-reflection. It is time for me to take on a new adventure. Change is never easy but this is the right decision for me and St. Mary's.

I hope you will be as overjoyed as I am to start this new educational adventure!

Many of these kids will get to have me as their teacher two times which I am thrilled about! I am excited to see how they have grown academically and now I'll get to instruct them at a more advanced level!

God Bless,  
Kara Fehring
